*As we mark this tragic occasion
which has meant death to millions
of innocents, please join us in
praying for an end to abortion
and in reparation for all crimes
against human life.*

Any country that accepts abortion
is not teaching its people to love,
but to use violence to get what
they want. That is why the greatest
destroyer of love and peace is
abortion.

And if we can accept that a mother
can kill her own child, how can we
tell other people not to kill one
another?
